**INFORMATION DISCLOSURE STATEMENT**

Applicants submit herewith patents, publications or other information of which the applicants are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose under 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

The references identified herein are listed on PTO-1449 form (modified) enclosed herewith. A copy of each reference listed is not being furnished since all the references are U.S. patents.

A translation of any foreign language reference, if any, is indicated in PTO-1449 form and being submitted herein if it is readily available. Otherwise it should be construed that such translation is not readily available.

Additional comments, if any, on the relevance of each reference listed are provided as follows:

The Statement is made on the basis of the information:

- X supplied by the inventor(s);
- supplied by an individual associated with the filing and prosecution of this application (37 CFR 1.56(c));
- in the attorney's file; and/or
- X cited in a corresponding U.K. application.

Respectfully submitted,
